			Warranty Policy			Our Warranty Policy: One year warranty for the conveyor main body and motor. Six months warranty for the driven belt. If the issue with the spare parts is not caused by human damage, we will provide replacement parts free of charge. However, as this involves international shipping, we kindly ask the customer to cover the freight cost. For any damage caused by human error within one year, or for issues that arise outside the warranty period, both the cost of the parts and the shipping will need to be covered by the customer.
